FOREWORD

This report is a detailed presentation of pupil and staff statistical information for the forty school districts of the State of Utah for the 1982-83 school year.

The data in this report was gathered directly from the forty school districts at the end of the 1982-83 school year. This report gives the serious researcher the raw data needed for more accurate and detailed analysis.

Appreciation is extended to the school districts and Utah State Office of Education staff for the timely and accurate gathering and reporting of this data.
